"TO SHOW THAT WE REMEMBER..."

"Wear a poppy"

This is the appeal which will greet Bethel citizens on the morning of Saturday, May 23 from the American Legion Auxiliary's Poppy Day volunteers. On that day everyone will be asked to wear a poppy as a personal tribute to America's war dead.

"Wearing a poppy on Poppy Day is the way to show that we remember and are grateful to those who gave their lives in our country's defense," said Mrs. Mary Cobb and Mrs. Alberta Angeline, the Auxiliary's Poppy Day chairman. "It is an individual gesture of devotion to the cause in which they died—the cause of free America."

A corps of volunteers from the Auxiliary and other girls and women's groups has been organized by Mrs. Cobb and Mrs. Angeline to distribute the memorial flowers in all parts of the town on Poppy Day. These volunteer workers will receive contributions for the Auxiliary's work in behalf of disabled war veterans and needy children of veterans. The poppies have been made by disabled veterans in Thomas Poppy Shop.

Miss Joyce Klein, daughter of Mr. and Mrs. David Klein, of Norway, has been selected as one of 75 young American girls to the United States exhibition at Moscow this summer. Miss Klein is a senior at Bethel High School.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

Bids have been received for a new truck and were opened at the last meeting of the Board of Selectmen. It was voted to accept the bid from the Carter Equipment Co., for a 1959 International truck, series 170, with new dump body. The bid price is \$3,650.00. The 1959 Chevrolet and body was turned in toward the new truck.

Persons interested in having their driveway tarred must submit a request in writing to the Town Office no later than June 15th. Printed forms are available for the purpose of filling the written request. It is planned to start the tar program about the second week in June.

J. W. Virchow of Rockland has been engaged to do the aerial spraying for insect control. This project will be done the very last days of May or first days of June, depending on weather conditions. The budget calls for an expenditure of \$400.00. This amount will pay for 175 acres coverage of the Bethel Village area, and 25 acres coverage at West Bethel.

Wright & Pierce of Topsham were employed to revise and make the necessary corrections on the Tax Maps. This work has been completed and the new maps have been received. This is the first time that a new set has been procured since the original set was made in 1925. This new set of maps provides our assessors with the latest information on location of property, property lines and acreage. A few errors were found in the originals and have been corrected.

Sincerely,
Harold L. Bean

TO WORK ON SUNDAY RIVER-SKI AREA ROAD

Work on the access road to the Sunday River Ski Area will be done by a group of volunteers from the Bethel area this coming Saturday afternoon and Sunday morning, May 9 and 10. Some of the preliminary work will have already been done, but all those who are interested in helping on the project are urged to turn out this week end. Those needing transportation should call Addison Saunders or Murray Thurston.

BETHEL SEAMAN SERVING ABOARD SUBMARINE

Stanley R. Walker, seaman U. S. N., son of Mr. and Mrs. Gerald A. Walker of Route 1, Bethel, is serving aboard the submarine USS Spikeshell which returned to Key West, Fla. in early May after a three-month anti-submarine warfare training and good-will cruise to Brazil, Uruguay, Argentina and Venezuela.

The Spikeshell part of Task Force 88, took part in combined exercises with the navies of the four countries visited. The ship played the part of the enemy while the U. S. South American naval forces sought her out, pinpointed her position, and destroyed her in realistic anti-submarine maneuvers.

Callers from the Spikeshell visited ports in different Latin countries with other ships of the Task Force, therefore affording both visitor and host a chance to know each other better.

The Spikeshell departed Caracas, Venezuela, April 29 en route to the U. S.

Elmore, California, Leader-Press "Governments are no different than individuals in money matters. If the individual fails to practice thrift, if he continually spends more than he earns he's headed for trouble. So with a government. It may get by longer than the individual but there's a day of reckoning. So we can no longer afford more talk about economy. We must insist that our lawmakers really practice it. Sound as a dollar once meant something. We must see that it means something again."

GOULD F. H. A. GIRLS SPONSOR BOTTLE DRIVE

The Gould F. H. A. Chapter is very proud to be able to announce that it is going to send Miss Dixie Lea Brown, one of its most outstanding members and one of the club's ablest officers to the National F. H. A. Convention in Chicago, Ill., this summer. At this convention over 2,500 girls from all over the United States and its territories will participate. The Gould Chapter is glad that Dixie will be one of these 2,500 representing the State of Maine and Gould Academy.

Through the co-operation of Gould's Headmaster, contributions, and the girls' own efforts, they have nearly reached their goal of \$200, which is the amount needed to send their delegate. To finish their fund-raising activities, however, the F. H. A. girls are sponsoring a bottle drive in the Bethel community and its surrounding areas.

They would like to ask the co-operation of the Bethel citizens in contributing their refundable "pop" bottles and milk bottles to a worthy cause.

On Thursday, May 14, a representative will call at your door between 11:15 and 12 o'clock. Your contribution will be greatly appreciated.

HOSPITAL AUXILIARY MEETS; SMORGASBORD SUCCESSFUL

The Bethel Auxiliary of the Rumford Community Hospital held its meeting Monday evening at the home of Mrs. Dexter Stowell with Mrs. John Lanni assisting.

Plans were made for the booth at the annual Hospital Fair to be held in October.

Reports were made by the chairman of the Smorgasbord Committee.

A discussion was held on what further furnishings were made for the Hospital Nursery as this has been the Bethel project for the last few years. Action to be taken on this at a later meeting.

The members of the Auxiliary would like to thank everyone for their generous support and cooperation which made the Smorgasbord a success.

New Business in Bethel Landmark

BROOKS BUYS BARTLETT BLACKSMITH BUILDING

The shop at the foot of Mill Hill which was operated as a blacksmith, woodworking and painting shop for more than 50 years by the late Frank Bartlett, and before then by his father, has been bought by Rodney (Bob) Brooks. Mr. Brooks is already established there in the manufacture of trellises, picket fences and furniture, etc., and repair work.

The building was built and first occupied as a carding and woolen mill in the late 1700's, being operated by Eleazer Twitchell. Later it was a grist mill and for the past 125 years or more has been a carriage and blacksmith shop, owned by Moses T. Cross, Pinckney Burnham, and for the past three quarters century by the Bartletts.

CHAMBER OF COMMERCE HONORS

HEADMASTER IRELAND

At the meeting of the Bethel Chamber of Commerce Tuesday evening Headmaster Elwood F. Ireland of Gould Academy was presented a photograph of the Headmaster's home in recognition of his coming retirement. The presentation was made by Senator Master Edmond Vachon who spoke of the picture as representing a landmark chapter in the history of Mr. Ireland's life.

The beautifully blue-toned winter scene of the home was the work of Gayle A. Foster of the Gould faculty, and was framed by Lionel Coulombe, a Gould alum.

HOLD MAY 13 OPEN!

This year the annual Spring Concert will be held at the Wilton Bingham Gymnasium on May 12th at 8 p. m. The entertainment will be different than any held before under the supervision of Mrs. Charles Kypner. The band will play a number of songs including novelty numbers. The grades will sing and put on a number of skits. Several dances from different countries will be performed by the children with the assistance of Mrs. Susan Paves from the School of the Dance.

BIRTHDAY PARTY

Mrs. Lee Hutchins and Mrs. Stuart Cross entertained Saturday afternoon in honor of the 15th birthday of their son Mark Hutchins and Jack Cross. They were assisted by Mrs. Lawrence Bailey at the home of Mrs. Stuart Cross. The party consisted of a cook-out and outdoor games. The honored guests received many gifts. Those offering included Larry and Ken Smith, David Hutchins, Mae Hutchins, David Lowell, Bill Paves, Jimmy Young, Polley Paves, Chris and Mark Bailey, Bruce and Bill Young, Scott Bean, Larry Fox, Randy Mills, Jimmy Lane, Laura Cross, Andy Inman, Tommy Gibbs.

110 SIGNED FOR JR. BASEBALL

Twenty-one parents attended the Little League meeting, Sunday, May 3. With 110 boys signed up for baseball this year, this meeting could hardly be termed successful. Committee members are as follows:

Chairman, Floyd Bartlett, Secretary and Treasurer, Mary Rice and Ginny Hutchins.

Managers: Red Sox, Bob Mills; Braves, Maurice Brooks; Farm Team, Rodney Hanscom and Bud Paine.

Groundskeepers: Midget Field—Stuart Cross and Bob Lowe; Junior Field, Guy Rice and Wilbur Myers.

Advertising: Edith Rice. Transportation: Midgets, Betty Mills and Bea Lowell; Juniors, Libby Bane.

Scorekeepers: Juniors, Clifton Jackson; Braves, Violet Chretien. Fund Raising: Albert Buck, Don Chretien, Jim Hutchins.

Chief Umpire: Henry Hastings. Umpires: Herbie Lyon, Pete Baker, Jack Trivard, Blackie Cummings, Clayton Bane.

We still need a manager and an assistant for a farm team. If we do not get any volunteers, the beginners won't be able to play at all. This means approximately 20 disappointed boys—it might be your boy! We also need someone to help Libby Bane with Junior transportation; two more scorekeepers; some one to take charge of the refreshment stand and plenty of helpers. We also would like some more umpires.

Some of you don't want to become involved during the summer months but someone has to do to the work and most of the committee members have worked with the Little League since it started. Let's

have some more volunteers!

The Baseball Benefit Supper was a huge success with a profit of \$32.22 and we would especially like to thank Albert Buck and Mary Angevine for their part in this. We plan to have another supper later in the summer. Tentative plans have been made for a Tag Day Saturday, May 23. We also would like to thank Ralph Berry for opening the Community Rooms for our meeting and for building us a fire.

The Midget field is badly in need of a permanent back fence. Hank Polle has agreed to take charge of putting up the fence and Emerson Clough will furnish the cedar posts and the 2x4's but we need enough No. 4 Dressed Pine for the fence. We could pay a little but not very much for the lumber.

Mike Coburn, Bill Myers and Dwight Lord have signed up since the names were published in the paper.

Come on parents, get behind your boy and show him you are interested in Little League Baseball.

There will be a committee meeting Sunday, May 10, 7:00 P. M. at the Community Rooms. Will all committee members please try to be present.

I would like to acquaint all interested parents with a ruling which has to be followed in our two league teams this year. We are allowed a maximum of 6-12 yr. olds and 5-11 yr. olds on each team. We are allowed replacements for any of these boys but there must be only

Mrs. Merlie Stone, Mrs. Maud Skimball, Mrs. Eleanor Bean and children, Betty and Mark, and

Errol Barker, were supper guests at Ralph Kimball's, Sunday night. Urbain DeCormier has returned from Lewiston to Warren Lapham's.

Mr. and Mrs. Ralph Kimball were in Lewiston Monday and visited his sister at the C. M. G. Hospital.

Mrs. Raymond Arsenault and family of Gorham, N. H., and Mrs. William Kimball and family of South Waterford, were Sunday guests at Earlson Keniston's.

Edward Lapham attended the funeral of his brother in Bangorville, Saturday.

Howard Lapham went to Togus Tuesday for a check-up and change of medicine.

6-12 yr. olds and 5-11 yr. olds on the teams at any time. The rest of the team (15 players in all on each team) must be 10 yrs. or younger.

Rule F under the player code forfeits any boy's eligibility if he misses 50% of Spring practice without an excuse which is accepted by all league team managers.

I would be glad to explain rules and regulations to any parents at any time. I do my best to obtain sportsmanship and fair play and I believe I can give a logical answer to any complaint.

BETHEL, MAINE

Our Great America ☆ by Woody

OUR 4-H TOUR

On Saturday, February 23, the Buttonville Cookies 4-H Club, of Bethel, went on a tour of important places in our town.

Our first stop was at Riverside Farms, which is owned by Harold Bennett. Mr. Bennett took over the milk business after his father retired. He belongs to the Maine Breeders' Association.

One of his helpers, John Greenleaf, took us through the buildings and explained the work to us. There are twenty-one milking cows in all, but only thirteen were being milked twice a day - 5:30 A. M. and 4 P. M. The black and white cows were Jerseys. The Jerseys give the most cream, or butterfat. The cows give milk about 300 days of the year; they rest about two months.

The cows are fed hay, grain, and potatoes. The amount of grain fed to the cows is according to the amount of milk they produce. About 20 pounds of potatoes are fed each day, plus the hay.

One or two cords of sawdust a week is used for bedding under the cows.

Everything is sterilized every time it is used, according to the law. The bottle caps come in a tube so they are not touched by the hands. Mr. Bennett uses steam under pressure for washing and sterilizing. After the milk is strained, it is pasteurized by heating it to about 150 degrees to kill bacteria; then cooled rapidly and stored

at 50 degrees or less.

We were given a chocolate milk for a treat.

The next place we visited was the Hanover Dowel Company. We were taken around by Mr. Jay Willard. We saw a number of machines, one of which was the rander-it makes the dowels smooth. We did not get the names of the others due to the noise made, but we did see them in operation. We were told a number of interesting things, but could not hear very well. We saw the fire, a room where they dry dowels. We saw a room where they paint the dowels different colors. The dowels are then sorted for length and size, and tied into bundles of 200 dowels each. Dowels are used in making furniture, television stands, and legs, building houses, and many other things.

We went to the office where Mr. Addison Saunders gave each of us a pencil with the name of the mill on it, and some sample dowels. Mr. Saunders told us the prices of them. The biggest ones cost 3 cents and the small ones a penny. From our very exciting stop at the dowel mill, we continued to the Oxford County Citizen Office, which is owned and run by Carl Brown and his boys. This printing shop and paper were established in June 1885. It is the only local paper and at present sells for 7 cents per copy. The Browns have owned the business for the last 31 years.

Mr. Brown demonstrated the use of the Linotype machine,

COUNTRY FLAVOR

MILKING STOOLS

Grandmother frequently said, "Never throw anything away. Sooner or later it will come back in style if it is clothing, and for anything else some day you will find a use."

Milking stools as functional equipment went out of style years ago when man developed mechanical power to extract lactical fluid from hoary. Now the stools are staging a renaissance in living rooms, dens and playrooms. This gives Grandfather an opportunity to tell his grandchildren about the good old days when a man went through life at a reasonable pace behind a horse.

Time was when a good countryman had definite ideas concerning the best milking stool. Some casual citizens were content to sit on a box. Some men who enjoyed milking dangerously used a one-legged favored a three-legged stool. With three legs on the stool and two of their own, they figured equilibrium was assured.

Conservative, solid men who view life as an experience to be taken as safely and comfortably as possible, used a four-legged stool. Some farmers favored maple for the seat; others argued for oak. All agreed that it had to be a hardwood that would plane down to a smooth finish. Few things can be more disturbing to a philosophical milker than a stool which offers splinters.

Give a man a good-sized, solid stool of just the right height to fit his needs and four well-spaced, strong legs. Then one can settle his forehead against Buttercup's flank and begin to squeeze with assurance. Milking by hand is out of fashion on the larger farms, but there are still men with one or two family cows who do not think that milking is too bad a job. Naturally a man wants a cow with good-

which sets the type, as well as all the other machines in the shop. He also explained to us how each machine is used in the process of printing the newspaper.

At the time of our visit they were in the process of making up different town reports. This was a very interesting experience for all of us.

The last stop on our fascinating tour of local industries was at the Mica Shop, which is operated in connection with the Wheeler Bro-

MAN'S RECIPE

SUNNY ACRES

CARAMEL SQUARES

These wonderful warming days we all ought to get outdoors more than we do. If life seems too much with you and you are faithful from the daily treadmill, take an unhurried walk in a quiet woodland.

I believe that each person should own three places in his heart: a woodland, a brook, and a tree-circled pond. If you will find a woodland grove and go to it regularly through the year's cycle, you will gain therapy for heart and soul that is better than tranquilizing pills.

As you learn about trees, flowers, birds, bark and buds, the playfulness of life fall into proper perspective. You will harvest rewards that cannot be measured in coin of the realm. Golly, that's a sermon! But perhaps you will forgive this minister's son for a little preaching.

For these caramel squares use one half cup shortening, one half cup sugar, one half cup brown sugar, one egg, one half teaspoon vanilla, one and three fourths cups flour, one teaspoon baking powder, one half teaspoon salt.

Cream shortening and sugars. Add egg, mixed with the vanilla. Blend. Sift in the flour, baking powder and salt. Mix all well and spread in an eight by eight greased pan.

For the topping: mix together one beaten egg, three fourths cup brown sugar, three fourths teaspoon vanilla and one half cup chopped walnuts. Spread this topping over the batter.

Bake at 350 for about 30 minutes, or until done.

sized apricots and an easy milker. With a cow of this caliber and a good milking stool, a man can enjoy a few minutes of pleasant, relaxing exercise at the beginning and the ending of each day.

There mine in West Bethel. There Mr. Ted Wheeler told us about mica. It comes from permatites that are blasted from the ground ledges. Muscovite is the name for common mica.

The steps to produce mica are, briefly: mining, the fabricators, and electronic industry. The thickness to which the mica is to be trimmed is measured by a micrometer. There are seven trimmers working now to get pieces the right size and thickness. Sometimes mica comes in crystals. A crystal always has six sides. Ruby mica gets its name from the color you see when you look through it. Mica crystals are yellow or black. Green pieces are called beryl. Lead is found in mica rock, too. Pumice is the old rock that floats on water. Mica is used in television and radio tubes, airplanes, water skills, light bulbs, and the electronics industry.

We appreciate Mr. Wheeler's generosity in showing us through the Mica Shop.

Following the tour we went to the home of one of the club members for refreshments, which included a surprise birthday cake for our leader, Mrs. Ethel Robertson. We all agreed we had a wonderful afternoon.

We would also like to express our sincere thanks to all of the people who helped make this tour so interesting. We all feel that we have learned much about our community as a result. -By Louann Brown, Ellen Brown, Ethel Kimball, Charlene Swain, members of the Buttonville Cookies 4-H Club, Bethel.

V. A. NEWSLETTER

Veterans who allowed their permanent plan GI insurance to lapse are still permitted to have their policies reinstated by making up all back premiums with interest and by meeting health requirements.

Mr. L. Stoddard, manager of Veterans Administration Center, Togus, said today that GI insurance reinstatement rights also apply to lapsed term policies, but in a slightly different way. These policies generally may be reinstated only during the term period, with the payment of two monthly premiums and by meeting health requirements.

Special reinstatement or renewal privileges apply to those veterans whose National Service Life Insurance (NSLI) five-year term policies lapsed through failure to pay on time either or both of the last two monthly premiums of the

TODAY'S Meditation

Thursday, May 7

Read Ecclesiastes 12:1-7 or II Timothy 3:10-17.

Train up a child in the way he should go; and when he is old, he will not depart from it. (Proverbs 22:1)

TO a birthday supper, one friend came accompanied by a small child. All was quiet and calm as we went into the dining room. When the guests began to eat without first saying grace, the little girl cried out: "Mother, they are already eating up the supper without saying thanks to God." Her mother calmly answered: "You give thanks for all of us."

In many homes Christian practices are neglected, though they have great importance, especially in homes where there are children. Children are the foundation upon which future society is to be

built. Early childhood largely determines what a boy or girl is to become in later life.

Each Christian is a temple of God. We need to be careful that, with the help of God, the attitudes and daily practices in our home are what they should be. This is necessary in order that everything may be done for the glory of God. PRAYER: Our Father, help us today to testify and put into practice our Christian beliefs. Thus may they have their dwelling place not only in our homes, but outside. May they be seen and we be used as means to encourage others. We ask this in the name of Christ. Amen.

ELECTRIC UTILITY STOCKS

We believe that all investors should hold some electric utility common stocks. The percentage of the overall invested funds to be maintained in utilities will vary with the investment requirements and objectives of the individuals concerned. The more conservative the account, the greater the proportion of utilities that should be held.

The fundamentals of the industry are excellent. Growth in customers, revenues, net income, and, more important to the common stockholder, net per share are increasing consistently as are dividends.

The common stocks of the electric utility industry have been giving a truly remarkable account of themselves. Since last October, Standard and Poor's electric company index has shown an appreciation of about 14% while their index of 425 industrial stocks is up 13%.

In a year generally conceded to be a rather severe recession year, the electric utilities showed a growth in revenues of about 5% in 1958, and an increase in net income of 7.6%. This excellent showing compared with a 5.5% gain in net in 1957. Contributing to this fine performance was a slight gain in kilowatt hour sales, a slight decrease in fuel costs, and an increase in rates. The rise in net income in 1958 resulted in a great many dividend increases.

The outlook for 1959 appears to be equally promising. Overall kilowatt hour sales should increase between 5% and 10% over last year. Revenues will also be aided by rate increases for there are a great many pending, and many of the rate increases granted late in 1958 will make their full benefits felt in 1959. We would, therefore, estimate that overall the electric utility industry could show a 7.5% increase in net income, which should result in a repetition of the rising dividend trend of 1958, but to an even greater degree.

4-H CLUB NEWS

Buttonville Coolers: We held our meeting at our leader's home. The meeting was opened with the flag salute, Lord's Prayer and 4-H Pledge. The Secretary's report was given and accepted. We decided to send \$5 to the IFYE fund. On Friday, May 1, we went to South Paris to the style dress revue and on 4-H Sunday we went to church. Our leader showed us how to oil and dust the sewing machine and practiced threading the machine. We played a game and refreshments were served. — Reporter, Jacklyn Crouse.

Spoon and Hoe 4-H Club, A short meeting was held at the home of our leaders, Saturday, at 2:30 p.m., Mr. and Mrs. Lawrence Bailey. The boys worked out in the workshop on their foot stools, which

are about finished. On Monday, April 27, Burnie Rice received his 50 4-H broiler chicks, to be cared for and raised for 10 weeks. On Sunday, May 2, 4-H Day, all of our club attended the Methodist Church for church services with one of our leaders, Mrs. Bailey. Respectfully submitted, Club Reporter, Burnie Rice.

GOULD ACADEMY

GOULD NINE DROPPED INTO SECOND PLACE

The Gould nine divided its two games of the second week of the baseball season, but that was not enough as Paris High is still unbeaten. On Tuesday the Huskies were pouncing out 15 hits for an easy 12-5 victory over the Mexico Pirates.

Friday the Huskies ran into Swan at his best, and the South Paris pitcher allowed only one hit and buried his Cardinals into first place in the Western Maine Conference. At the end of last week's play the Western Maine Conference stands are listed below:

Team	W	L	Pct.
Paris	5	0	1.000
Gould	3	1	.750
Norway	2	2	.500
Mechanic Falls	1	1	.500
Mexico	0	2	.000
Bridgton	0	3	.000

GOULD TAKES FARMINGTON, 7 1/2 - 3 1/2

Gould had little trouble winning its second meet in as many starts. The Huskies won 8 of the 12 events, but they swept two of them, which made the big difference. Weston was a double winner in the sprints, while Angevine took the mile and the 880. Dick Daggett of Farmington was high point man of the meet with victories in the two hurdle races, the broad jump, and a second in the high jump for a total of 15 points. Gould's other event winners were Charlie in the 220, Freeman in the high jump, Hathaway in the discus, and Pete Karpovich tied with Lincoln in the pole vault.

The Husky Pastimers will continue their league competition traveling to Norway Friday for a second encounter. Gould won the first game at Bethel, but the Norwegians are capable of upsetting the Academy nine in this return game.

On Tuesday the Gould team will be on its own field to entertain Bridgton High. The visitors have been having their troubles this year, but they are due to win some games.

Between these two games the Gould JV's will be traveling to Hebron on Saturday for a 2:00 P. M. game. Gould took the opener from Hebron by a close score of 4-1 in what was the first game for both teams. It should be another interesting game between the two young teams.

GOULD TRACKMEN MEET CONY SATURDAY

Cony High of Augusta will be the guest of the Gould Academy track men this coming Saturday. Both teams will have their noon luncheon together, and about 1:15 the rivalry will get underway with the discus and the pole vault. This will be the third meet for the Huskies.

At a recent morning assembly Mr. Bailey showed colored motion pictures of the ski meet in Yakima, Washington, which he and Donald Angevine attended.

Welcome back to school this week was Alice Auger who was a patient last week at the Rumford Community Hospital. During his absence French classes were taught by Mr. Vachon.

Alder River Grange

Alder River Grange No. 45 held a regular meeting on May 1st with 14 members and 2 visitors present. Mrs. Bernice Noyes reported that the "Beans for Youth" supper netted \$15 to be sent to the State Master. Miss Phyllis Coolidge was selected Alder River Grange. The alternate was Miss Charlotte Crockett. Mrs. Huda Stevens was chosen as Mother of the Year for Alder River Grange. The poem—"Only a Mother"—was read by Richard Stevens. Deputy Roy Wardwell gave a very interesting talk about the ritual. He also gave facts about Brother Gardiner and the seven founders of the Order. He suggested that the birthday of the Order, December 4, be recognized with appropriate program. He also complimented our young master and the other young officers on their fine work in opening and closing the grange; and concluding the business of the grange.

MASON - BEAN

A very pretty wedding took place at the home of Mr. and Mrs. Herman Bean Sunday afternoon when their daughter, Evelyn Louise, was united in marriage to William Elery Mason of Woodstock by Rev. Alton Verrill. Dorothy Bean, a sister of the bride, and Edmond Mason, twin brother of the groom, were the attendants. About 25 friends and relatives were present at the wedding.

A reception was held at the Union Church immediately after the wedding. Around 100 or more guests were in attendance. Elaine Thurlow and Sheila Morgan had charge of gifts. Mrs. Orene Osgood had the guest book. Mr. and Mrs. Maynard Fleming had charge of the decorations. The serving committee were Pauline Bean for punch; Helen Heath cut the cake; Eleanor Bean, Myrtle Thurlow and Mina Morgan attended the table.

Mr. and Mrs. Mason received many gifts. After the reception the happy couple left for parts unknown.

Our snow of April 29 was only half an inch but it surely was a cool one for it froze ice in many places.

The Sunday River Sunday School pupils made pictures of Jesus and the children as Mother's Day gifts for their mothers. We hope everyone will be with us on May 17.

FROM OUR FILES

15 YEARS AGO

A fire causing a \$50,000 loss destroyed a cattle grandstand, several sheds and office building at the Oxford County Fair grounds.

The Five Town Teachers Club became affiliated with the N. E. A. and received their charter.

A band of gypsies passed through Newry.

Death: Mrs. George W. Knight.

25 YEARS AGO

Records showed that Bethel had a winter's snowfall of 153 1/2 inches. There was a storm of 29 inches in March.

Dr. Ralph O. Hood was elected manager of the Bethel baseball team.

198 were present at a chicken pie supper served in the Grange Hall preceding a meeting of the Townsend Club. At the business meeting following Henry W. Boyter was elected president of the organization.

Mr. and Mrs. Herbert Winslow moved to their home recently purchased in Skillington.

Deaths: Mrs. Annie Billings, Mrs. Clara Ridlon, Mrs. Arabella A. Robinson.

UPTON

— Mrs. C. A. Juddins, Corres. —

The last PTA meeting of this school year was held Saturday evening, May 2, at the schoolhouse followed by a dance party. Mrs. Virginia Williamson was the emcee for entertainment and refreshments.

C. A. Juddins has started to build his new house. Frank Lowell's crew of Bethel put in the cement block foundation walls last Friday and Saturday.

Miss Jeanette Pelchat of Errol, N. H. visited Miss Melanle Bernier over the week end.

Yet, Hensley of Rumford Center tested the cows in town for TB and Bangs last week.

NEW BOOKS AT THE

BETHEL LIBRARY

Adults:

"The Heart is the Teacher," by Leonard Corliss. This is the story of Leonard Corliss, who, starting life as an Italian immigrant in the 1890s, became a beloved teacher and later principal in the teen-age poverty ridden melting pot of New York's East Harlem.

"The Use of Many Rooms," by Helen White through the sympathetic magic of these pages, we join the Reverend Mr. Fisher and his Connecticut family in and about the compound of an Indian village.

"The Professor and 2," by Dorothy Van Doren. In a vivid and humorous way, Dorothy Van Doren gives us intimate glimpses into the life of a delightful American family.

"Moonlight at Midday," by Galley Carrigan. A wonderful introduction to life in Alaska.

Go much to do, so little done. — Gertrude Rhodes

LOCKE MILLS

— Mrs. Florence Swift, Corres. —

Mr. and Mrs. Ernest Mason celebrated their 50th wedding anniversary Sunday. They were married at Bryant Pond May 1, 1903, by Rev. Brown. In the evening Miss Charlotte Cole, Irving Cole and Everett Cross entertained with music and songs. Mrs. Marjorie McAllister made the wedding cake. The Women's Circle sent flowers. Mr. and Mrs. Mason were very much surprised.

Mr. and Mrs. Clifford McAllister were in Fryeburg Center recently to attend the wedding reception of Mr. McAllister's brother and wife, Mr. and Mrs. Harold McAllister.

Mrs. Mabel Denham is gaining slowly from her recent illness.

Mr. and Mrs. Lloyd Cole are making a new lawn at the home they recently purchased. They have had many loads of loam carted in and have now seeded it.

Mrs. Harry Swift, who has been serving on the Federal Jury at Portland, has been excused until June 8. She has been away a little over two weeks, and the June term is expected to be about the same length.

ENROLLMENTS BEING

RECEIVED

Enrollments are currently being received in the Farm and Home Improvement Contest at the Oxford County Extension Office. Anyone in the county who is interested in taking part in this contest may receive an enrollment card from the local community chairman or from the following county committee members: Mrs. Robert Hastings, RFD 1, Bethel; Mrs. La. Forest, Tenthredin, Bryant Pond; and Mrs. Lena Andrews, West Park.

The Extension office also has enrollment cards and will be glad to provide for those interested. Everyone must be enrolled by May 15. A picture taken before any improvements are made is requested by the committee.

Prizes of \$50, \$30, \$20 will be awarded to those receiving first, second, and third place in this contest.

This contest includes any improvements made on the outside of the house—grounds, buildings or yards. Inquiries at the Extension Office or any committee member for further information.

SUSPENSION BRIDGE over the Androscoggin River at Gil-ead, which was superceded, in 1922, by the present steel bridge. This was the second suspension bridge on this location, the first having collapsed some 50 years

before when overloaded by a drove of cattle. More information on these bridges will be gratefully received by the Citizen, as facts on the subject are not easy to locate. (E. C. Vandenberg photo)

BETHEL SCHOOL NEWS

Grade 6—Miss Varner

We are rehearsing at the Gym for the Spring Concert on Friday May 15. We are studying Central America and Hawaii in Social Studies. Ethel Kimball brought an "Hawaiian" plant. It looks like a small log now, and a sprout and leaves grow up from it. We will bring souvenirs of Hawaii.—In Science we are finishing "Sound" and are going to study "Some Common Acids."—We are studying Decimals in Arithmetic.—Kenneth Crockett brought some Mayflowers and Margaret Mundt brought some Dog-tooth Violets. We did very well in our Achievement Tests.

Grade 5—Mrs. Hastings

We finished our last test today. We had our Achievement tests last week. For Friday activities we are going to have a softball game. We went over to the gym last Tuesday and today to practice for it as patrons on the way over there. Charles Jacobs' birthday is this Sunday.—News by Jack McMillin and Charles Jacobs.

Mrs. E. Lord's Room

This past week we have been studying picture graphs, bar graphs, line graphs, and circle graphs. Each day each of us brought in these different graphs both from magazines and ones we made ourselves. Friday, notebooks will be passed in to the teacher, enclosing graphs.—An exciting game of spelling baseball is taking place, with the score 111 to 104, in favor of the Eagles. In science the eye and what it is made up of is our topic. A film strip on the eye was enjoyed, Monday. From it we took notes and learned quite a lot which we did not know before. Mrs. Lord has put a poster on the bulletin board on the construction of the eye.—Tuesday we finished going over the highlights of Spain. We all enjoyed the post cards that Norma Jeanne Sloan brought in, which were sent to her from Gibraltar, Spain. Wednesday morning we started to hit the highlights in France.—This is our last chance to get a gold seal with a blue ribbon from Miss O'Connor in writing the comes May 22.—Fronious and antecedents we find are very easy. Tuesday we each wrote lines

the concert. Some of the boys act- cricks and read them in class. The girls in the health class will pass in their notebooks June 1.—May 29 will be the last day to give oral reports. We will also pass in our written book reports. — Linda Faine, Reporter.

Grade 8

Each person in the eighth grade is very busy learning their parts for graduation. — Julia Brown has been out of school so the class has fixed a sunshine box for her. —Reporters, Raymond Harrington, Dale Lapham.

Well done is better than well said. —Benjamin Franklin

MAGALLOWAY

— Mrs. Bessie Harvey, Corres. —

The body of Wesley N. Ferris, who died on February 5th, was taken from the tomb in Colebrook on April 29th and buried in the John Bennett lot in the Magalloway Cemetery. Miss Helen Lyman, the Congregational minister at Colebrook, held a committal service at the grave. Mr. Ferris had worked for Gordon Bragg and his father for many years and had lived in a cabin on Gordon's farm for 16 years.

Most of the "flu" sufferers are recovering slowly. One day last week there were only two pupils at the Magalloway school and five in Errol.

Fred Bennett is feeling a little better also Archie Bennett.

The Magalloway Valley Ladies Club met last week with Mrs. Val Turner and will meet with Mrs. Phyllis Parsons this week.

The Rev. George Duke, who was our pastor for many years and is the minister at Dunbarton, N. H., now has had a serious heart attack and was in an oxygen tent in a hospital there for some time. He is out of the tent now but still very ill. His daughter, Miss Ruth Duke, was married at Colebrook

Saturday to Palmer Lewis, the younger son of Charles J. Lewis, the Gulf oil dealer.

Mrs. Bertha West has been staying with Mrs. Bessie Harvey lately as Mrs. Harvey has also been having the "flu."

The whist party at Wilson's Mills Friday evening was very poorly attended owing to so much sickness.

Mrs. Alice Cameron and Mrs. Virginia Lane drove to South Park on business Monday.

Maurice Parsons is talking of buying the Cooper place.

Mrs. Elizabeth Gilman called on Mrs. Mabel Cameron Sunday and Mr. and Mrs. Donald Cameron with daughter, Debby, were there also.

The smelters are not as plentiful now as of a week ago but there are a great many now.

Judith and Ronnie Griffin were home over the week end from Fryeburg also Stanley West and Leslie Olson from Bethel.

Maurice Parsons had to check his beautiful spaniel Candy as her hind parts were paralyzed.

Two of the Brown Company camps have opened this week.

Some of the Magalloway men are painting the outside of the church.

Church services were held in Errol Sunday morning and even-
